

# Undergraduate Research Training Initiative for Student Enhancement (U-RISE)

## APPLICATIONS ARE OPEN!

### OBJECTIVE:

The primary objective of the Undergraduate Research Training Initiative for Student Enhancement (U-RISE) program is to promote broad participation in the biomedical research workforce by strengthening research training environments and expanding the pool of well-trained students who complete their baccalaureate degree, and transition into and complete biomedical, research-focused higher degree programs (such as Ph.D. or M.D./Ph.D.).

### WHAT U-RISE SCHOLARS DO AND RECEIVE:

- Partner with a faculty
- Attend workshops and scientific meetings to prepare you for competitive graduate and/or MD-PhD programs.
- Obtain Honors credits by enrolling in an Honors U-RISE course each semester.
- Meet outstanding researchers from leading institutions across the country.
- Participate in Summer Research at leading research-intensive institutions.
- Receive academic and financial support.
- Earn an honors' certificate and mentorship towards an honor's thesis

### WHO CAN APPLY:

- Juniors and Senior undergraduate students with two years prior to graduation.
- Must be currently enrolled in at least 15 credits and must have completed 60 credit hours.
- Minimum overall GPA of 3.2.
- Students interested in enhancing their research training in biomedical, behavioral, clinical, and social sciences in preparation to enter doctorate research programs.
